CHELTENHAM LANDSCAPE DISPLAY

Our 2026 bespoke landscaping display exhibits over 40 styles of paving, from concrete to porcelain, in one inspiring space!

We have some of the leading manufacturers of artificial grass and Millboard decking laid to show our maintenance free options! All available to order in, or from stock, with our crane delivery to your address.

With parking adjacent to the display and our resident landscaping expert available to walk you around, why not call in to find inspiration for your garden?

This booklet provides a glimpse of what we offer. Many more ranges are carried in stock, shown on our display and available to order.

PORCELAIN PAVING

WHY CHOOSE PORCELAIN?

Porcelain is lower maintenance than other types of paving. It doesn't require sealing, it's durable and doesn't fade. Our Porcelain paving is rectified* meaning near perfect straight edges for ease of laying and joint widths which are consistent.

NATURAL STONE PAVING

Our natural stone paving ranges represent some of our finest products. Perfect for those with discerning tastes, few other materials can match the quality feel and beautiful appearance of natural stone.

We're pleased to be able to say that we're committed to sourcing all of our natural stone from sustainable sources, without sacrificing quality. Our natural stone is highly durable, and many of our ranges are machine cut for a perfect quality finish.
